Memory Treasure

4 year old and 5 year old kindergarten students are responsible for the following memory verse. One of the greatest gifts we can give our children is a foundation in God's Word. Please practice this Bible passage with your child.

4 year old & 5 Year Old Memory Verse: "Our help is in the name of the Lord, the Maker of heaven and earth. (Psalm 124:8)

Show and Tell

Our show and tell will be our 100 items on Thursday for 100 day. The 4K children may bring 100 items on Friday for show and tell!

Christ Light

This week we have been learning the lessons of Peter's great catch of fish and Jesus calming the storm. We learned that we can be "fishers of men" by telling others about Jesus. Again we saw that Jesus used His almighty power to teach His disciples that He is true God.

100 Day

The Kindergarten class will be celebrating their 100th Day of school on Thursday, February 2. If we have any snow days, that date will change. We'll be doing various activities in our classroom. As part of our celebration, each child should bring 100 of something to school on that day. (For example: buttons, pennies, pieces of cereal, etc.). Encourage your child to choose something that can fit into his or her backpack. The children don't need to bring anything yet, but

they should begin thinking about it! The 4K may bring their 100 items on Friday!

Valentine's Day

We will celebrate Valentine's Day on **Monday, February 13th.** We'll celebrate a day early so that the 4K and 5K children can celebrate together! If your child would like to exchange valentines, please be sure that there is one for each of the 18 children in our classroom to avoid hurt feelings. We'll be making our valentine mailboxes out of oatmeal canisters that have been donated. If you would like to send a snack for our party, please let me know. A list of the children's names is on the back. If you need a paper copy, please let me know!

4K (Preschool) & Kindergarten Open House

We will have our 4K-5K Open House on Feb. 6. This is a chance for the children to bring you into the classroom to show you some of the things that are important to them. It's also an evening to introduce families to our school. If you know of someone we could send an invitation to, please get us that info as soon as possible and we'll put an invitation in the mail!

Is there anyone willing to bring a pan of bars?

The children should be in our classroom on Monday, Feb. 6 no later than 6:20, so that we are ready to begin at 6:30. Remember, you may bring guests if you wish.

Here are the details...

Monday, February 6 is the date of our 4 and 5 year old Kindergarten Open House. This evening will be an evening of fun for the families in our class and for any families interested in learning about the kindergarten programs at St. John's. The evening will begin at 6:30 PM. The children will present a brief program, mainly consisting of singing. Following the program, you will have the opportunity to look around the classroom and have a time for refreshments and fellowship. You may invite guests.

We will be inviting the public to join us for the evening. If you know of anyone who may be interested in our 4K or kindergarten program, please let them know about the evening. One of the best ways to promote our school is through word of mouth. Our school can be an excellent outreach tool for mission work! Parents and children will be able to meet the staff and ask questions, as well as tour our facilities. If you know of someone with a school age child that is interested, but is unable to attend that evening, I'll be more than happy to set up another time for them to come and visit.
